A dependable supply partner

Juberk Limited is a Kenyan supply, procurement, logistics, agriculture and distribution company serving businesses, institutions and development-sector organizations across Kenya and East Africa.

We connect clear requirements to capable suppliers and coordinated delivery through responsive communication, accountable sourcing and consistent follow-through.

Core capabilities

01 Strategic Procurement Supplier sourcing, quotation comparison, negotiation and order coordination.	02 Supply & Distribution Reliable fulfilment of operational, institutional and project-critical goods.
03 Logistics Coordination Planned movement, tracking, delivery communication and verified handover.	04 Agricultural Supply Responsible sourcing of farm inputs, produce and value-chain requirements.
05 Institutional Supplies Office, field, safety and project materials for diverse organizations.	06 Supplier Management Vetting, performance monitoring and documentation across the supply network.

How we work

UNDERSTAND

Clarify specifications, timing and delivery points.

SOURCE

Identify and evaluate suitable suppliers.

COORDINATE

Manage orders, transport and communication.

CONFIRM

Verify handover and close with clear records.

LET'S MOVE YOUR REQUIREMENT FORWARD
